To Whom It May Concern:

I am writing to recommend Dave Wilson, who I have worked with in a professional capacity for more than three years. I hired Dave to update and revise his previously published book, *Hiking Ruins Seldom Seen*, while I was acquiring editor at FalconGuides, an imprint of Globe Pequot Press. He undertook the project with gusto, communicated well throughout the project, met deadlines, and delivered the revised manuscript in accordance with all instructions he received. He did more than meet expectations; the revised edition was a strong improvement on the previous edition. It was well received in the marketplace and continued as a strong seller on the FalconGuides publishing list. The favorable reviews he received on Amazon.com are testament to his hard work.

Dave made a concerted effort to market the book long after it was published. Though I did not have the opportunity to hire Dave for another project, I would not hesitate to do so if I developed another project that suited his qualifications.

Please accept this strong recommendation for the quality of Dave Wilson's work. Please do not hesitate to contact me if I can be of any assistance or answer any questions in regard to my work with Dave. I have since left my position at FalconGuides, but I can be reached by phone at (978) 282-3553 or by email at jhaberman@quaysidepub.com.
