To Whom It May Concern:

I have every confidence in recommending Dave Wilson for the position he seeks within your organization. While under my supervision, Dave worked with fierce dedication to not only meet but exceed my every expectation. Always confident in Dave's ability to efficiently complete assignments and manage challenges with creative solutions, I was never compelled to question the status of any project assigned to him.

Equally as impressive to me are Dave's talents as a writer and photographer. It is rare indeed to find someone who possesses strong abilities in both production and creation. Dave was a valued member of my team, and I am certain that you will not be disappointed should you choose to recruit him for yours.

Please feel free to contact me if I can be of further assistance. I can be reached during the day at 602.352.1515 and in the evenings at 602.814.8032.

Cordially,

Bernadette Ferrell
